## Attempted renaming of track 2. (Doesn't look like it's saving correctly.)

The screenshot shows the Mp3tag v3.11.1 interface. The left sidebar has 'Track02' selected in the 'Title' field. The main table shows a list of tracks. Track 2 is highlighted, and its 'Title' column now displays 'Track02'. However, the 'Artist' column for this track still shows 'Various Artist', indicating that the renaming might not have been saved correctly.
